

# AP98C945

## Accessories • Reflectors and reflective film

accessories laser, reflector, 200x200mm, Self-adhesive, -40-80°C, Plastic+PMMA, Polarized

### Electrical features

|           |     |
|-----------|-----|
| Polarized | Yes |
|-----------|-----|

### Mechanical features

|                                |                  |
|--------------------------------|------------------|
| Design                         | individual       |
| Width                          | 200 mm           |
| Length                         | 200 mm           |
| Mounting method                | Adhesive surface |
| Material                       | Plastic          |
| Active area material of sensor | Plastic (PMMA)   |
| Ambient temperature            | -40 - 80 °C      |

### Other features

|              |               |
|--------------|---------------|
| Suitable for | Laser sensors |
|--------------|---------------|

### Classification

|        |                                      |
|--------|--------------------------------------|
| ETIM 8 | EC002467 Reflector for light barrier |
|--------|--------------------------------------|

### More

|                       |                  |
|-----------------------|------------------|
| IPF Product Group     | 900 accessories  |
| packaging dimensions  | 270 x 210 x 4 mm |
| gross weight          | 88 g             |
| Customs tariff number | 39269097         |
| WEEE number           | 40951076         |
| Reach-compliant       | Yes              |
| RoHS-compliant        | Yes              |

#### Installation

Mounting / installation may only be carried out by a qualified electrician!

#### Disposal

WEEE number according to § 6 para. 3 ElektroG: 40951076
