Flyer LED lights en

LED lights for industry We make light tangible!

Almost every industrial sector requires illumination that is tailored to the respective workstations. The right light ensures better visibility, improves production quality, increases workplace safety and also helps to save energy costs. We offer a wide range of solutions for the correct illumination of workstations, operating ranges of machines, switching cabinets and many other areas of application. If one of these lights does not meet your requirements, ask us for a special solution.

Classification

ETIM 8

More
