### IO-Link paves the way to the digital future

The digital transformation of production is progressing continuously and is affecting almost all sectors and branches of industry. However, linking automated production with modern information and communication technologies can only be achieved with intelligent interfaces. In the field of sensor technology, there will therefore be no way around technologies such as IO-Link in the future.

#### Classification

ETIM 8

#### More

IPF Product Group	006 Print media
packaging dimensions	297 x 210 x 3.1 mm
gross weight	104 g
Customs tariff number	49111090
WEEE number	40951076
Reach-compliant	Yes
RoHS-compliant	Yes

#### Installation

Mounting / installation may only be carried out by a qualified electrician!

#### Disposal

WEEE number according to § 6 para. 3 ElektroG: 40951076

#### Safety warnings

- / Before initial operation, please make sure to follow all safety instructions that may be provided in the product information.
- / Never use these devices in applications where the safety of a person depends on their functionality.
