Screw plug, M8, Plastic, Black

The wiring of sensors and actors is considerably more comfortable with our sensor distribution box. The individual devices are connected with the distributor via an M8 or M12 cable that is pre-assembled on both sides. By means of the trunk line the effort for laying and wiring the cables can be reduced significantly. The operating mode display provides information about the sensors operating mode (operating voltage, switching state). Thus, troubleshooting is simpler, as an overview about the functioning of the connected periphery is directly given.

Mechanical features

Material	Plastic
Thread dimension	M8

Other features

Version	Screw plug
---------	------------

Classification

ETIM 8	EC000032 Screw plug
--------	---------------------

More

IPF Product Group	900 accessories
packaging dimensions	150 x 100 x 10 mm
gross weight	50 g
Customs tariff number	39239000
WEEE number	40951076
Reach-compliant	Yes
RoHS-compliant	Yes
